			No		<input type="checkbox"/>
<b>Terms and Conditions</b>					
We hold our quality to a high standard, HOWEVER some heavily damaged putters may still have some pitting and/or marks in the metal after the refinish					
Please DO NOT send a head cover with your putter, we cannot keep track of these and we will be forced to return your package if so.					
We package our return shipments for the return pretty heavily so no need for headcovers in the package					
Once your package ships we are no longer responsible for your putter. It is in the hands of the carrier. Our warranties will not cover shipping damage. Shipping insurance is recommended.					
We offer a 14 day warranty in the event there are flaws or premature defects in our putter finishes. You must report your claim to us in that window with picture evidence.					
Our warranty does not cover lack of care if fade and corrosion arises so please take care of your putter! Some finishes need a little care and maintenance					
<b>Date</b>	<b>By signing, you agree to our terms and conditions above.</b>
